

# Italia Traduzioni **SERVICES - Trusting Europe**

**Italia Traduzioni is a concrete reality in Italy for qualified linguistic services at decidedly low costs. We are passionate about our work, which we consider a real mission, and the customer is never just a number but a project that we**

*“The translated version should impress the people for whom it is intended, just as the original impresses the people for whom it is intended.”*

*Edgar Allan Poe*

## Classes

Our strength lies in sector diversification. Our translators have been chosen on the basis of their capabilities, education and years of experience. Our customers range from large and small business to law firms and private citizens, for the most various needs that arise from time to time in business, cultural, legal and personal situations.

## Fast Service

A shortened delivery time in favour of customer needs is another well-established strong point. This is realised with the individual translator's high productive ability, in a winning team with one sole aim – to satisfy the customer.

## Our Customers

Major Italian companies, law firms, state notaries, luxury hotels, cultural heritage departments, professionals and private customers have chosen Italia Traduzioni. Their positive feedback and tangible references are testament to the quality of the linguistic services provided.

## Network Quality

Over the years we have had excellent customer loyalty and we actually closed 2009 with a good increase in turnover.

Professionalism and politeness are the pivotal points of our company, which has 1,080 Senior qualified translators across Europe, USA, Russia and China.

## The main sectors we work in are
